US Route 30 Widening and Reconstruction

Contract #60I32: From Briarcliff Road to US Route 34

Contract #60I33: At IL Route 31 Interchange & BNSF Railroad

Village of Montgomery & Village of Oswego

PROJECT OVERVIEW

Contract # 60I32 From Briarcliff Road to US Route 34

This project will consist of the reconstruction of US Route 30 from one lane in each direction to two lanes in each direction separated by a raised barrier median. The road will be bounded by curb and gutter on both sides. The bridge structure carrying US Route 30 over the Waubansee Creek will be replaced. Other items of work include sidewalks, noise abatement walls, traffic signal modernization, drainage improvements, interconnect and modernization of traffic signals, guardrail and traffic barriers, transition lighting, pavement markings, and landscaping. This project corridor includes the Village of Montgomery, the Village of Oswego, and Oswego Township of Kendall County.

Contract # 60I33 At IL Route 31 & Burlington Northern Santa Fe Railroad

The scope of work includes roadway reconstruction, widening, and resurfacing of both US Route 30 and Illinois Route 31. All ramps will be reconstructed and realigned. Additionally, the ten-span bridge structure carrying US Route 30 over Illinois Route 31 and the Burlington Northern Santa Fe Railroad is to be widened and re-decked, including the replacement of two piers. Other items of work include intersection signalization, a new railroad grade crossing, culvert additions and extensions, drainage improvements, roadway lighting, pavement striping, and landscaping. This project is located within the Village of Montgomery of Kane County.

	Contract #60I32	Contract #60I33
