Illinois 134 Resurfacing in Lake County Begins Next Week

CHICAGO - The Illinois Department of Transportation (IDOT) announced that a resurfacing project on various locations of Illinois 134 between U.S 12 and Illinois 120 in Lake County will begin, weather permitting, on Monday, Sept. 22.

In order to complete the work, motorists can expect daily lane closures with flaggers at various locations once construction begins. The anticipated completion date for this project is May 15, 2015.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at http://goo.gl/upgvZu. Updates on the impacts to traffic are available at www.travelmidwest.com.
