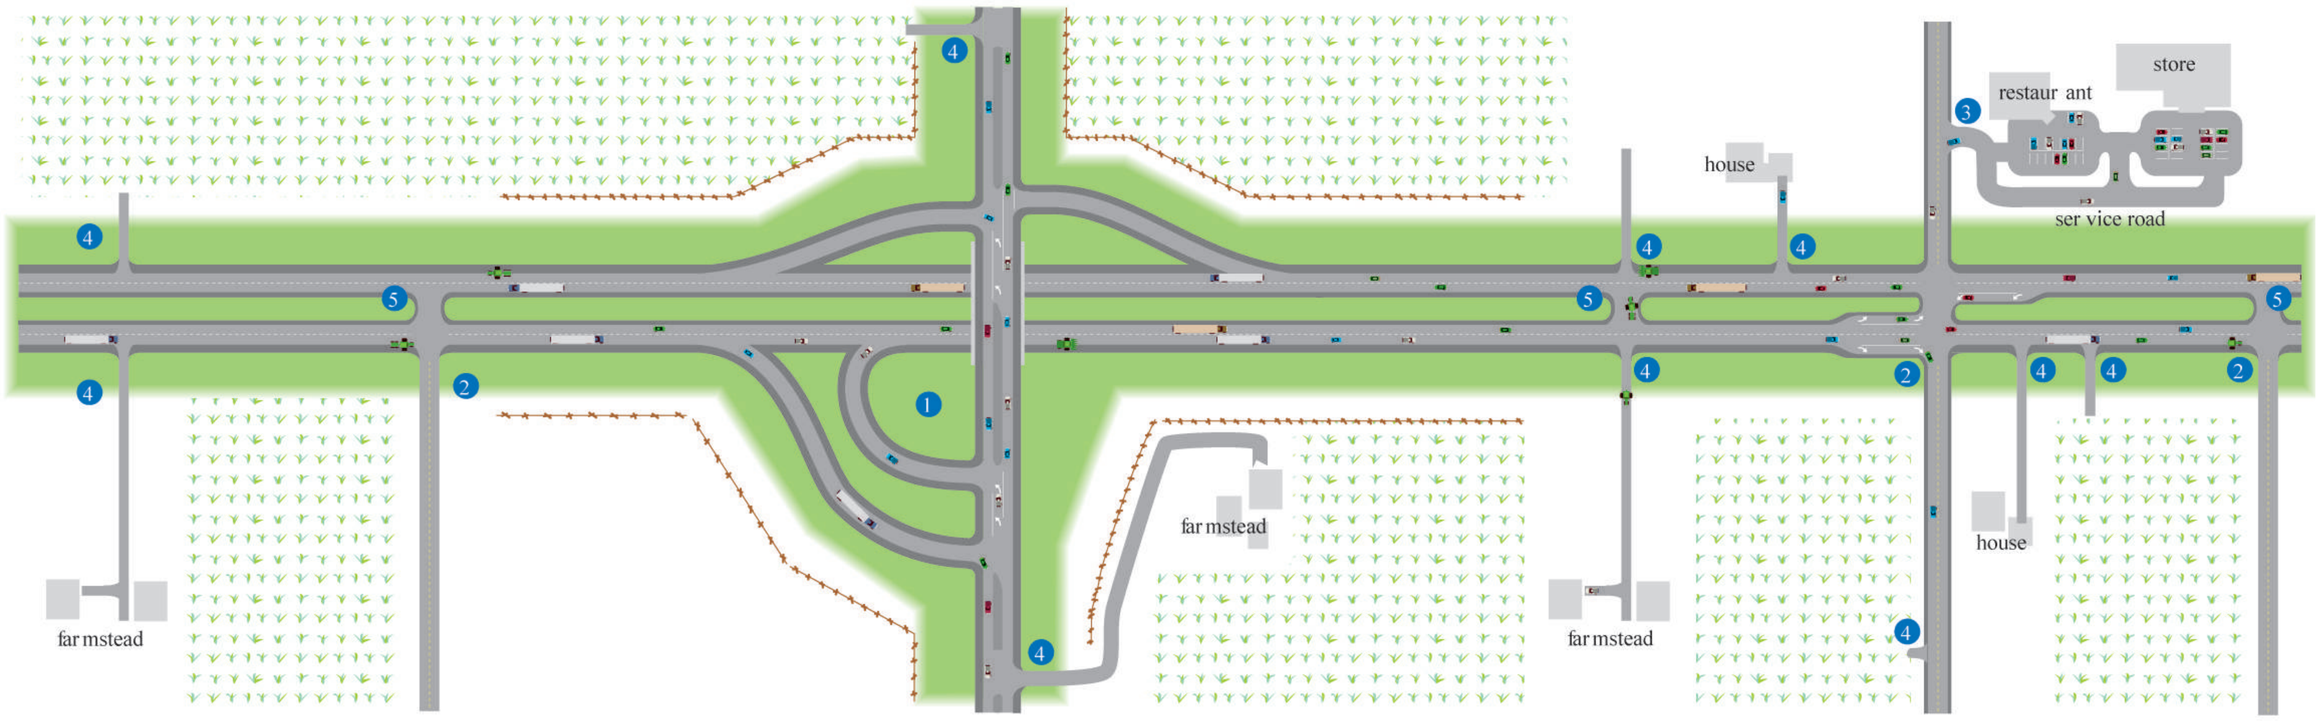
# Rural Expressway

A high-speed divided highway for through traffic with access partially or fully controlled and grade separations at important intersections with other roads.



## Types of access

1. **Interchanges**
   at higher traffic volume roads, when traffic conditions warrant.
2. **At-grade Intersections**
   at state, county and township roads or city streets.
3. **Business or Commercial Entrances**
   access only from service drives or side roads.
4. **Farm or Residential Entrances**
   access may be direct to the expressway or to a nearby side road.
5. **Median Cross-overs**
   may be at local roads, street and entrances where safety will not be compromised (not all entrances will have median cross-overs).
