PRESS RELEASE

White Hall, IL

Location – US 67 over Seminary Creek just south of White Hall

Effective Immediately - The Illinois Department of Transportation has announced that US 67, just south of White Hall, will be reduced to one lane over Seminary Creek beginning Friday, July 10, 2015. Traffic will be controlled by temporary signals during this time. This lane restriction is required to maintain and repair the existing bridge. This work should be completed by September 14, 2015.

The Department asks that motorists be patient, reduce speed, obey all warning signs, and use additional caution when traveling near and throughout this work zone.

The contractor on this project is Keller Construction Inc. of Glen Carbon, Illinois. John Adcock is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have questions concerning this project you may contact him at 618-346-3352.
