PRESS RELEASE

I-64 E.B. and W.B. from the Clinton County line to IL 177

Washington County – The Illinois Department of Transportation announces that on October 10, 2014 road construction will begin on I-64 from Clinton County Line to IL 177 in the eastbound and westbound lanes. This project consists of bridge deck patching, wingwall repair, and joint repair. This work is expected to be completed by Tuesday, November 25, 2014, weather permitting.

The Department asks that motorist be patient, reduce speed, watch for stopped traffic ahead, and use additional caution when traveling near and throughout this work zone. Flaggers will direct traffic through work zone. Concrete barrier wall will be installed at the bridges. Wide load signs and message boards will be erected in advance of the project.

The contractor on this project is The Kilian Corporation from Mascoutah, IL. Steve Putz is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3350.
