PRESS RELEASE

I-64 E.B. and W.B. from the Clinton County line to 4.5 Mi. east of IL 177

Washington County – The Illinois Department of Transportation announces that on April 8, 2015 road construction will begin on I-64 from Clinton County Line to IL 177 in the eastbound and westbound lanes. Construction will also occur on the ramps at the IL 177 exit. This project consists of wingwall repair, pavement patching, HMA surface removal, HMA resurfacing, HMA shoulders, aggregate shoulders, guard rail improvements, and pavement striping. This work is expected to be completed by Thursday, August 27, 2015, weather permitting.

The Department asks that motorists be patient, reduce speed, watch for stopped traffic ahead, and use additional caution when traveling near and throughout this work zone. Flaggers will be utilized to direct traffic through work zone. Message boards will be erected in advance and throughout the project.

The contractor on this project is The Kilian Corporation from Mascoutah, IL. Steve Putz is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618-346-3350.
