PRESS RELEASE
REVISED

Madison County

Location – Marine Road over I-70 near Marine

The Illinois Department of Transportation today announced that the bridge carrying Marine Road over I-70 will be closed beginning Monday, July 13, 2015, weather permitting. The closure will be necessary to perform bridge joint replacement and waterproofing. A marked detour will be in place directing traffic around the closure using westbound US 40 to northbound IL 4 to eastbound IL 143 and vice versa. This work is expected to be completed by August 14, 2015. Motorists should consider alternate routes to avoid delays, watch for workers and use caution when travelling in the work zone.

The contractor on this project is Kilian/Keeley Joint Venture of Mascoutah, IL. John Scheibal is the Supervising Field Engineer for the Illinois Department of Transportation in the area. If you have any questions concerning this project, you may contact him at 618/346-3353.
