## INTRODUCTION

The mission of the Illinois Department of Transportation is to provide safe, cost-effective transportation in ways that enhance quality of life, promote economic prosperity, and demonstrate respect for our environment. This report presents the accomplishment of projects included in the [State Fiscal Year 2022 Proposed Improvements for Illinois Highways](#) that achieve this mission.

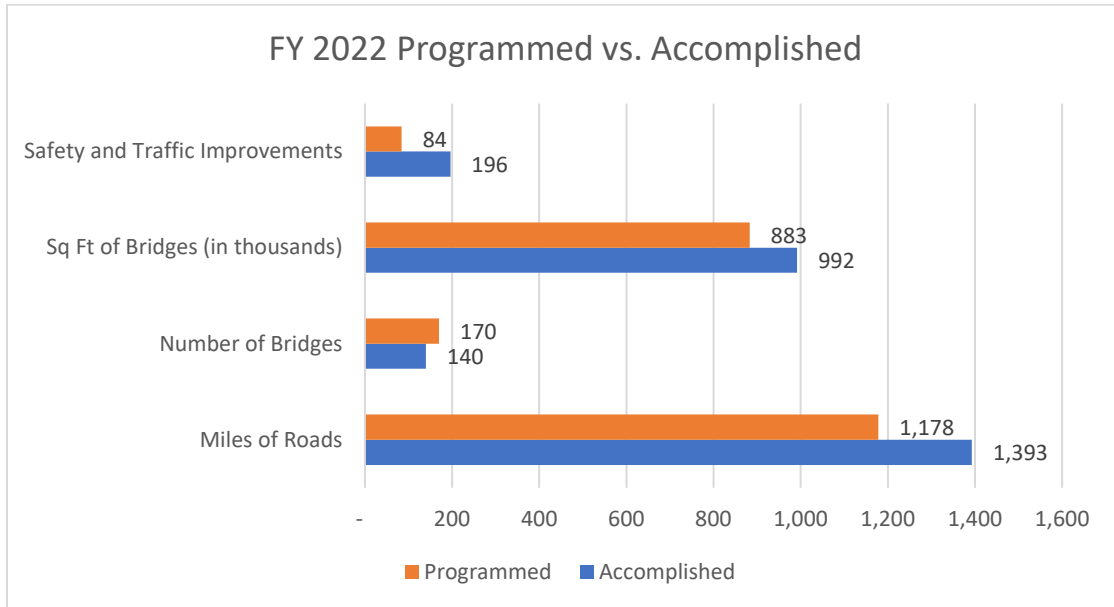

This report, For the Record, is an annual report of the awards and obligations of programmed projects in the FY 2022 Proposed Improvements for Illinois Highways, which is also referred to as the Annual Highway Improvement Program. For the Record meets the requirement for an annual report required by Illinois Statute 20ILCS 2705/2705-200(c) for FY 2022.

With the implementation of the Rebuild Illinois capital program on July 1, 2019, the program continues to be significantly larger than the Annual Highway Improvement Program in previous fiscal years. This historic increase allowed the department to move forward toward meeting the [Transportation Asset Management Plan \(TAMP\)](#) goals and fixing our state's crumbling infrastructure. The table below displays the total accomplishments for the past three fiscal years of the Rebuild Illinois capital program. For real time data on Rebuild Illinois Accomplishments, visit [our dashboard](#).

<b>3 Year Rebuild Illinois Totals - FY 2020 - FY 2022</b>	
<b>Total Investment</b>	<b>\$8.510B</b>
State System	\$6.426B
Local System	\$2.084B
<b>Total Improvements</b>	
State # of Projects	4,450
State Miles	3,284
State Bridges	206
State Safety Improvements	413
Local # of Projects	1,813
Local Miles	1,129
Local Bridges	204
Local Safety Improvements	205

The FY 2022 Annual Highway Improvement Program shows the projects IDOT planned to implement during state fiscal year 2022 from July 1, 2021, to June 30, 2022. The FY 2022 Annual Highway Improvement Program totaled \$3.605 billion, including \$2.354 billion for improvements on the state system and \$1.251 billion for improvements on local highways. As circumstances arose throughout the fiscal year, modifications were made to the program. After these modifications were made, the FY 2022 adjusted annual Highway Improvement program totaled \$4.291 billion - \$3.286 billion of which was awarded during the fiscal year.

A total of 1,178 miles of roads, 883,393 square feet of deck area (170 bridges) and 84 safety and traffic improvements were scheduled to be accomplished in the FY 2022 Annual Highway Improvement Program. In FY 2022, IDOT accomplished 1,393 miles of roads, 992,263 square feet of deck area (140 bridges) and 196 safety and traffic improvements. These figures are illustrated in the chart below.

The following tables display the number of projects awarded and their total cost during FY 2022.

FY 2022 Program Awards Summary in Dollars (\$Billions)		
	Annual Program	Adjusted Program
Total Program Dollars	\$3.605	\$4.291
Total Awarded Dollars	\$2.339	\$3.286
% of Program	64.9%	76.6%

FY 2022 Program Awards Summary in Number of Projects		
	Annual Program	Adjusted Program
Total # Programmed	1,393	2,398
Total # of Awards	835	2,151
% of Program	59.9%	89.7%

The following notable projects were awarded during FY 2022:

- **I-55 from I-80 to US 52 (District 1)** – This project includes reconstruction of the existing partial access interchange at I-55 and Illinois Route 59 (IL 59) into a full access diverging diamond interchange. The project also includes the addition of auxiliary lanes on I-55 between the interchanges of IL 59 and US 52 and improvements to the intersection of IL 59 and Seil Road. The relocation and reconstruction of the East Frontage Road to provide necessary distance from the interchange. Construction of noise walls, retaining walls, multi-use path and sidewalk along IL 59 and crossing I-55. The project was awarded at approximately \$60 million.
- **US 20/IL 84 Reconstruction in Jo Daviess County (District 2)** – This project involves the total reconstruction of US 20/IL 84 (Spring Street) from Gear Street to Main Street in historic Galena, including new dyed concrete pavement, conversion from open drainage with culverts and ditches to a new storm sewer system, replacement of retaining walls and ADA-compliant sidewalks, and a new multi-use path. The project was awarded at approximately \$31.5 million.
- **I-57 over the Norfolk Southern Railroad & Grinnell Rd in Kankakee (District 3)** - This project includes improvements to bridges carrying northbound and southbound I-57 over the Norfolk Southern Railway and Grinnell Road. The project also includes 0.60 miles of reconstruction of I-57 from north of IL 17 to just south of North St. The project was awarded at approximately \$23.5 million.
- **I-39 in Marshall and Woodford Counties (District 4)** - This project consists of 9.74 miles of pavement rehabilitation on I-39 from 1 mile north of IL 116 in Woodford County to 2 miles south of IL 17 in Marshall County. The work included a 5" HMA overlay, Class A concrete patching, minor overpass structure improvements, culvert, and drainage improvements. The project was awarded at approximately \$26M.
- **Interchange Reconstruction of I-57 and I-74 in Champaign County (District 5)** - The project consists of the second phase of the reconstruction of the I-57 & I-74 Interchange. The proposed improvements include pavement reconstruction and lane additions in each direction on I-74; pavement reconstruction in each direction on I-57 with the addition of an auxiliary lane from I-74 to Olympian Drive; I-57 & I-74 ramp terminal pavement construction; pavement reconstruction of two ramp terminals at I-57 & Olympian Drive; and pavement reconstruction of two ramp terminals at I-74 & Prospect Avenue. The proposed work includes the removal and replacement of the existing I-74 bridges over I-57. The project was awarded at approximately \$126 million.
- **I-55 in Sangamon County (District 6)** - This project includes resurfacing from south of the Sangamon/Montgomery County line to Brush Creek (5.4 miles) and Divernon Road through the interchange east of Divernon (0.7 miles). Structure repairs were made to both interstate bridges over Brush Creek and two local overhead bridges (TR 1/Montgomery Road and Divernon Road). The project was awarded at \$13.9 million.

- **I-70 Rubblization in Effingham County (District 7)** – This project consists of 6.92 miles of rubblization of existing pavement and resurfacing on I-70 from 1 mile East of the I-57 Interchange to the Cumberland County Line. This project also includes culvert replacement and bridge superstructure replacement. The project was awarded at approximately \$50.3 million.
- **I-57 Pavement Reconstruction in Marion County (District 8)** – This project includes reconstructing 3.76 miles of pavement on I-57 with new continuously reinforced concrete pavement from the Jefferson County line to 0.7 miles north of IL 161 in Marion County. The project was awarded at approximately \$68.6 million.
- **I-57 in Franklin County (District 9)** – This project consists of adding an additional lane in each direction to I-57 for 8.5 miles from South of the Middle Fork Big Muddy River to 2.4 miles south of ILL 154. This project includes new bridges over the Middle Fork of the Big Muddy River. The project was awarded at approximately \$67.6 million.

This report is divided into three sections: Part I for the state system, Part II for the local system and Part III for the local benefits. Also included are two exhibits. Exhibit A displays the awarded projects in the program, as well as projects carried over and additions made to the program throughout FY 2022 on the state highway system. Maps are at the end of each section for the highway districts and display the project locations. Exhibit B displays the awarded projects in the program, as well as projects carried over and additions made to the program throughout FY 2022 on the local highway system.

**PART I:**

**FOR THE RECORD – 2022**

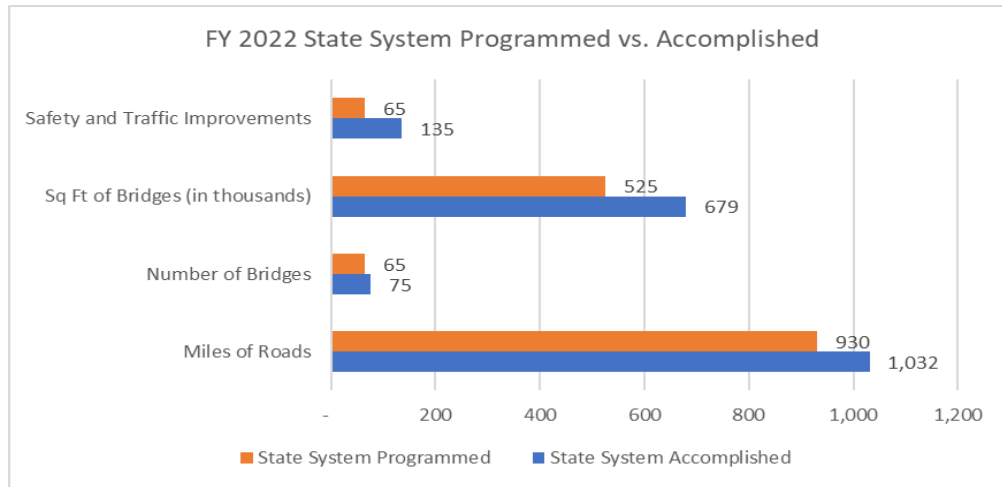

**ILLINOIS HIGHWAY PROGRAM ACCOMPLISHMENTS**

**ON THE STATE SYSTEM**

## STATE SYSTEM

The FY 2022 Annual Highway Improvement Program totaled \$3.605 billion, including \$2.354 billion for improvements on the state system. This investment allowed for 930 miles of roadway to be improved or added to the existing highway system, along with 525,494 square feet of deck area improvements (65 bridges) and 65 safety and traffic improvements. The actual accomplishments for FY 2022 are 1,032 miles of roadway improvements, 679,525 square feet of deck area improvements (75 bridges) and 135 safety and traffic improvements. These figures are illustrated in the chart below.

The following tables display the FY 2022 Annual Highway Improvement Program and awards summary for the state program. The adjusted program total for FY 2022 is \$3.096 billion. The program is adjusted because projects are delayed or moved ahead, projects are added, and some projects are deferred or determined not to be needed throughout the year. Improvements awarded on the state highway system using federal, state, and local funds during FY 2022 were \$2.548 billion for an accomplishment rate of 82.3% in dollars and an accomplishment rate of 90.1% for the number of projects.

<b>FY 2022 State Program Awards Summary in Dollars (\$Billions)</b>		
	<u>Annual Program</u>	<u>Adjusted Program</u>
Total Program Dollars	\$2.354	\$3.096
Total Awarded Dollars	\$1.891	\$2.548
% of Program	80.3%	82.3%

<b>FY 2022 State Program Awards Summary in Number of Projects</b>		
	<u>Annual Program</u>	<u>Adjusted Program</u>
Total # Programmed	953	1,725
Total # of Awards	658	1,555
% of Program	69.0%	90.1%

The state program awards are listed in Exhibit A. Additions to the program are noted with an "ADD," carryovers are noted with a "C/O".

## GUIDE TO THE LISTINGS

For each project accomplished, the following information is provided:

- Route/City- the marked route designation and/or street name and identifies the city. For those improvements on unmarked state routes and local system routes, the system designation and route number are provided. Some funds have been awarded for improvements at various locations. In these cases, "Various" is noted in the route designation. Also shown is the identification number for each project (0-XXXXX-XXXX), which corresponds to the number in the program.
- County - the county or counties where the improvement is located.
- Description - this item includes both a description of the location of the project and the type of improvement.
- Award Date - for awards this is the date the program item was awarded. For obligations, this is the date the obligation was approved.
- TAMP Category – identifies the Transportation Asset Management Plan (TAMP) category that the projects fall within.
- Award Cost - total of awards or obligations charged to the program item.
- The first digit of each page number indicates the district in which a project is located. For example, all projects shown on page 6 – 4 are located in District 6.

**PART II:**

**FOR THE RECORD – 2022**

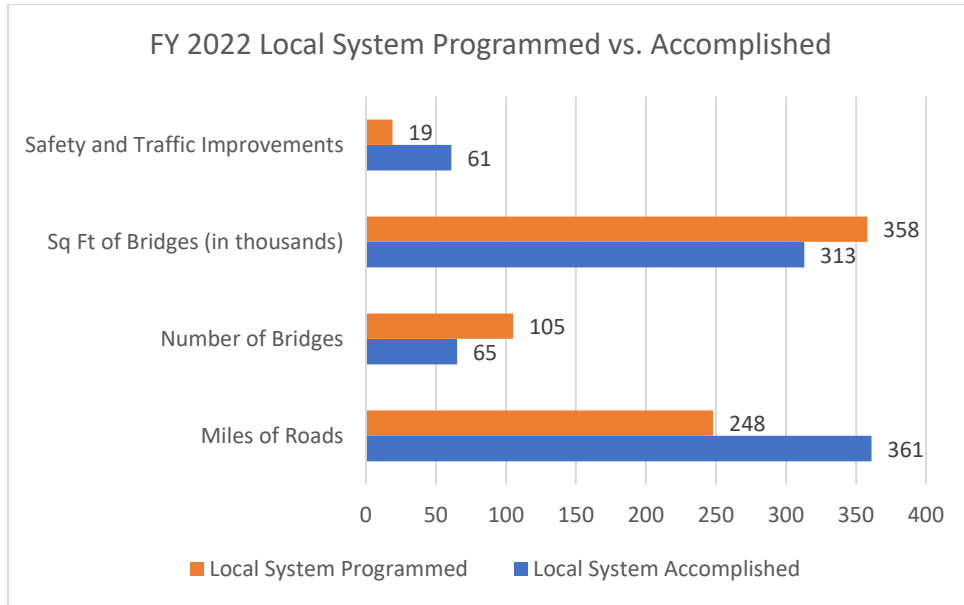

**ILLINOIS HIGHWAY PROGRAM ACCOMPLISHMENTS**

**ON THE LOCAL SYSTEM**

## LOCAL SYSTEM

The FY 2022 Annual Highway Improvement Program included all improvements on local streets and highways utilizing federal funds. The local program provided \$1.251 billion for improvements, which included 248 miles to be improved or added to the existing system, along with 357,899 square feet of deck area improvements (105 bridges) and 19 safety and traffic improvements. The actual accomplishments for FY 2022 were 361 miles of roadway improvements, 312,738 square feet of deck area improvements (65 bridges) and 61 safety and traffic improvements. These figures are illustrated in the chart below.

In addition to the FY 2022 Annual Highway Improvement Program, IDOT provided \$75.1 million of state funds specifically to assist local governments. This is discussed in more details in Part III. In FY 2022, \$912.5 million of state motor fuel tax funds were directly distributed to municipalities, counties and townships for administration and repair of local roads and bridges. This distribution is in addition to the state's \$3.605 billion FY 2022 Annual Highway Improvement Program.

The following tables display the FY 2022 Annual Highway Improvement Program and awards summary for the local program. The adjusted program total for FY 2022 is \$1.195 billion. The program is adjusted because projects are delayed or moved ahead, projects are added, and some projects are deferred or determined not to be needed throughout the year. Re-appropriations and other special appropriations were used to fund the increase to the program. During FY 2022, awarded projects for the local system were \$738.2 million.

<b>FY 2022 Local Program Awards Summary in Dollars (\$Millions)</b>		
	<u>Annual Program</u>	<u>Adjusted Program</u>
Total Program Dollars	\$1,250.7	\$1,194.8
Total Awarded Dollars	\$447.2	\$738.2
% of Program	35.8%	61.8%

<b>FY 2022 Local Program Awards Summary in Number of Projects</b>		
	<u>Annual Program</u>	<u>Adjusted Program</u>
Total # Programmed	440	673
Total # of Awards	177	596
% of Program	40.2%	88.6%

The local program awards are shown in Exhibit B. Additions to the program are noted with an “ADD,” carryovers are noted with a “C/O”.

**PART III:**  
**SUMMARY OF LOCAL BENEFITS**  
**FROM STATE ASSISTANCE**

## **SUMMARY OF LOCAL BENEFITS FROM STATE ASSISTANCE**

This section presents a review of the programs that provide local units of government with assistance in financing their road and street improvement programs.

Two categories of state assistance are covered: Direct State Assistance and Special State Assistance programs.

The categories of assistance are briefly described with an accounting of the allocation of funds to the local units, as prescribed by the enacting legislation for each program. Additional distribution information is available on the [MFT Yearly Distribution](#) webpage.

### **Direct State Assistance**

The Local Motor Fuel Tax (MFT) allotments are distributed to local governments based on the formula prescribed in MFT Law (35 ILCS 505) and fluctuate based on the revenue collected from the Motor Fuel Tax. The Local MFT allotments increased from FY 2021 to FY 2022. In FY 2021 the allocation was \$857.2 million and in FY 2022 the allocation was \$912.5 million.

### **Special State Assistance Programs**

**Township Bridge** – In accordance with the Illinois Highway Code (605 ILCS 5/6-901), in FY 2022, \$15 million was allocated for townships/road districts to construct bridges.

The following three programs provide additional funding to local governments through the passage of Illinois FIRST in FY 1999, Public Act 91-20.

**Consolidated County Assistance** -- Every county, excluding Cook County, shared in \$36.6 million of additional state assistance under this program in FY 2022. The funding is treated as supplemental MFT allotments and can be used by counties for any permissible MFT use.

**Needy Townships** – This program provides assistance to townships/road districts that do not generate enough revenue locally to maintain their roadways. The funding is treated as supplement MFT allotments and can be used by townships for any permissible MFT use. In FY 2022, 820 township/road district units shared \$16.8 million in additional state assistance from this program.

**High Growth Cities** – This program supports municipalities who have experienced above-normal population growth. In FY 2022, 149 cities received a share of the \$6.7 million distribution of additional state assistance provided by this program. The funding is treated as supplemental MFT allotments and can be used by municipalities for any permissible MFT use.
