

Public Hearings

The Lake County Transportation Improvement Project (LCTIP) is pleased to announce a series of Public Hearings. The Public Hearings will be held on Tuesday, October 23 and Thursday, October 25, 2001. The same information will be presented at each hearing, including:

- Transportation needs
- Development and evaluation of the initial alternatives
- Evaluation of the finalist alternatives
- Opportunities for public comment

The hearings will be conducted in an open house format. A video presentation will be shown continuously during each hearing, beginning at 2 p.m. In addition, the Draft Environmental Impact Statement (EIS) and other supporting project information will be available for review. LCTIP staff will also be available to answer questions. Please see the reverse side of this flyer for locations where the Draft EIS is available for review.
