Pavement Repairs on I-80 in Joliet

CHICAGO – The Illinois Department of Transportation (IDOT) announced that pavement repairs will take place on eastbound Interstate 80 at Houbolt Road, in Joliet, beginning, weather permitting, Friday October 15.

Beginning at 10 p.m. Friday, the right lane on eastbound Interstate 80 will be closed until 10 a.m. Saturday. Additional overnight closures may be necessary over the next few weekends to complete the repairs.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
