Lane Closures for Drainage Improvements on Kedzie Avenue and 115th Street

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Kedzie Avenue and 115th Street, in Chicago, Merrionette Park, Alsip, Blue Island and Robins, for a drainage improvement project, beginning, weather permitting, Monday, May 16.

In order to complete the work, daily lane closures will reduce Kedzie Avenue and 115th Street to one lane in each direction. The closures will take place on Kedzie from 115th Street to 135th Street and on 115th Street from Kedzie Avenue to Rockwell Avenue.

The project is expected to be completed in Summer 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
