Lane Closures on Interstate 190 at Mannheim Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that temporary lane closures will be necessary on Interstate 190 at Mannheim Road (US 12/45), in Chicago, beginning, weather permitting, Saturday, Jan. 30. The closures are necessary to perform a routine bridge inspection.

Starting at 6:30 a.m. Saturday, various lanes on Interstate 190 will be closed until noon. The closures will alternate directions in a moving operation, keeping a minimum of one lane open at all times.

Motorists should expect delays and be prepared to stop. Drivers are urged to pay close attention to signs in the work zones, obey the posted speed limits and be on alert for workers and equipment.
