Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work will begin to repair two culverts in the Rock Island – Whiteside area on Monday, June 20, 2016. Valley Construction Company is the contractor for the \$89,726 project.

The contractor will be starting on the culvert south of Colona on I-74/280 approximately 1.2 miles west of the I-80 interchange. I-74/280 will be restricted to one lane for one week to make repairs to the culvert.

The week of June 27<sup>th</sup>, work will be done to a culvert under I-88 approximately 1.7 miles west of the IL 78 interchange. I-88 will be restricted to one lane for one week to complete the structure repairs.

Drivers should be alert for the lane closures and slow down when traveling through the two work areas.

Please slow down and use extreme caution while driving through all work zones.
