I-74 Resurfacing between Mahomet and Champaign

PARIS – The Illinois Department of Transportation announces that there will be an emergency closure of I-74 on Thursday, August 25, 2016, beginning at 9:00 p.m. and lasting until 6:00 a.m. Friday, August 26, 2016. Due to unforeseen roadway conditions and in the best interest of safety to the traveling public, a decision was made to temporarily close the roadway to accommodate repairs. During the repairs, westbound Interstate 74 traffic will be taken off of the interstate, up the exit ramp, across Prairieview Road, down the entrance ramp, and back on to Interstate 74. The roadway will be back open to normal traffic by 6:00 AM.

Motorists should stay alert, follow the signs for the slight detour, and be cautious of increased traffic along the highway and ramps.

Please slow down and use extreme caution while driving through all work zones.
