## Bridge Load Posting - CH 12 northeast of Sidney in Champaign County

**PARIS** – The Illinois Department of Transportation announces that a posted load limit will be placed on the structure carrying CH 12 over Salt Fork Vermilion River, located approximately 0.5 miles northeast of Sidney. The load limit posting will take effect on Wednesday, Sept. 28 and will be posted as follows:

- Single Vehicle.....22 Tons
- Combination Vehicles
  - 3 or 4 axles.....29 Tons
  - 5 or more axles.....34 Tons

Alternate north/south state routes for loads greater than the posting are Illinois Route 130 to the west or Illinois Route 49 to the east. This load limit posting will remain in effect until the structure replacement can be completed.

Please slow down and use extreme caution while driving through all work zones.
