## CONSTRUCTION NEWS RELEASE

ROAD CLOSURE  
Old Illinois 13/Wolf Creek Road  
Williamson County

The Illinois Department of Transportation would like to alert motorists traveling Old Illinois 13 and Wolf Creek Road of an upcoming ROAD CLOSURE.

Beginning Monday, October 17, 2016, the intersection of Wolf Creek Road and Old Illinois 13 will be closed to all traffic. The closure will last approximately 2 months, weather permitting. This closure is necessary to complete the reconstruction of the intersection as well as improvements to Wolf Creek Road. The limits of this closure will be a quarter of a mile east and west of the Wolf Creek intersection with Old Illinois 13. Old Illinois 13 traffic should use alternate routes for the duration of the closure. Local traffic will be allowed access to north Wolf Creek Road via the new frontage road system, south of Illinois 13. South Wolf Creek Road will remain accessible from routes that are south of the intersection. **Due to utility conflicts and weather concerns this project will be delayed until spring of 2017.**

Motorists should seek an alternate route.

Message boards and signs will be in place to alert traffic of the closure.
