Press Release

Poplar Street Complex – East St. Louis, IL

Collinsville, Illinois – The Illinois Department of Transportation announces that daytime single lane closures will be encountered on westbound and eastbound I-55/64 from the Poplar Street Bridge to and including the 13th Street/Tudor Avenue ramps. Left and right lanes of I-55/64 and the 13th Street/Tudor Avenue ramps will be alternately closed (i.e., one at a time) to conduct required deck inspections on the bridges carrying these routes beginning Monday, February 15, 2016, weather permitting. A minimum of one lane of traffic in each direction will be maintained during the lane restrictions. The lane restrictions will extend through Friday, February 19, 2016. All lanes will be opened back up to traffic on eastbound on I-55/64 between 3:00 PM and 6:00 PM. All lanes will be opened back up to traffic on westbound I-55/64 between 6:00 AM and 9:00 AM.

Significant traffic delays are anticipated, motorists are encouraged to consider alternate routes.

Traffic control devices will be utilized to assist motorists making their way through the work zone. The Department asks that all motorists be patient and use additional caution when travelling near and through this work zone. Please slow down and use extreme caution while driving through all work zones.

Additional information is available at <http://apps.dot.illinois.gov/stl-traffic/>.
