Bridge Replacement to Close Portion of Township Road 194 in Vermilion County

PARIS — An Illinois Department of Transportation project to replace a bridge in Vermilion County will close a portion of Township Road 194 beginning Sept. 11.

Work on the bridge, located about a mile northwest of 2300 North Road, is expected to take about two months. TR 194 will be closed to all traffic for the duration of the project.

Motorists can expect delays and should allow extra time for traveling though this area or consider alternate routes to avoid the work zone. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, restrain from using mobile devices and be on the alert for workers and equipment.
