Afternoon Lane Closures on Outbound Ryan at 95th Street

CHICAGO – The Illinois Department of Transportation announced that unplanned lane closures are underway this afternoon on the outbound Dan Ryan Expressway (Interstate 90/94) at 95th Street. The closures are necessary to remove debris that fell on the expressway from the adjacent Chicago Transit Authority project to rebuild the Red Line’s 95th Street Station.

In order to remove the concrete from the expressway, the outbound Ryan’s two right lanes are closed approaching 95th Street.

The lanes are expected to reopen by 3 p.m., but could affect this evening’s rush hour.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
