Lane Closure this Weekend on NB I-55  
between I-355 and County Line Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a weekend lane closure will take place on northbound Interstate 55 between Interstate 355 and County Line Road, beginning, weather permitting, Friday, June 16. The closure is necessary for roadway resurfacing, part of the ongoing improvements to Interstate 55 from Weber Road to Willow Springs Road.

Starting at 9 p.m. Friday, the left lane of northbound I-55 will be closed between I-355 and County Line Road until 5 a.m. Monday, June 19. Additional lane closures also will be necessary during nighttime hours.

The closures are part of a larger project to improve Interstate 55 between Weber Road and Willow Springs Road in Bolingbrook, Woodridge, Romeoville, Darien, Burr Ridge and Willowbrook. The scope of the project includes resurfacing, roadway patching, bridge deck repairs, drainage improvements and traffic management upgrades.

The overall project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
