Bridge Deck Repairs Underway on Southbound Interstate 55 near Arsenal Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that emergency bridge deck repairs are underway on the structure that carries southbound Interstate 55 over the BNSF railroad and Grant Creek, in Will County, Monday, Nov. 13.

In order to complete the repairs, the right lane and right shoulder on southbound Interstate 55 will be closed approximately three miles south of Arsenal Road. At least one lane of traffic will remain open at all times.

The bridge deck repairs are expected to be completed tonight, but the lane and shoulder closures will be in place through the evening rush hour.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
