Bridge Deck Repairs, Lane Closure on SB Interstate 55 between Arsenal Road and Wilmington Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a lane closure is underway on southbound Interstate 55 between Arsenal Road and Wilmington Road, for emergency bridge deck repairs, Tuesday, November 28.

In order to complete the pothole repairs, the right lane will be closed on the structure that carries southbound Interstate 55 over the BNSF railroad between Arsenal Road and Wilmington Road.

The repairs are expected to be completed by 5 a.m. Wednesday, Nov. 29.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
