## **Bridge Inspections Saturday on the Dan Ryan over the Stevenson Expressway**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that a routine bridge inspection will take place on the structure that carries the Dan Ryan Expressway (Interstate 90/94) over the Stevenson Expressway (Interstate 55), in Chicago, weather permitting, Saturday, Oct. 28. The bridge inspection will require lane closures on the Stevenson Expressway, approximately one mile east of Lake Shore Drive (U.S. 41).

Beginning at 12:01 a.m. Saturday, one lane will be closed in both directions on the Stevenson Expressway under the Dan Ryan Expressway until 6 a.m., weather permitting. At least one lane will remain open on the Stevenson at all times during the bridge inspection.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
