## **Lane Closures on IL 53 from Hobson Road to 75<sup>th</sup> Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will begin this week on Lincoln Avenue (Illinois 53) between Hobson Road and 75<sup>th</sup> Street, in Woodridge. The lane closures are necessary for a project to repair retaining walls and improve drainage along Illinois 53.

In order to complete the work, northbound Illinois 53 will be reduced to one lane and shifted onto the median. Intermittent lane closures are expected on Illinois 53 between Hobson Road and 71<sup>th</sup> Street with flaggers, when necessary. Access to driveways and businesses will be maintained throughout the duration of the project.

The overall project will be completed in Summer 2018.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
