I-57 roadwork begins April 10 near Arcola

ARCOLA — The Illinois Department of Transportation announced today that lane closures will begin April 10 on Interstate 57 at the overpass at Township Road 157D north of Arcola, weather permitting.

One lane in each direction on I-57 will remain open at all times during this work, which is expected to last about five days.

Delays should be expected, so motorists should consider alternate routes. Drivers are urged to pay close attention to changing conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be on the alert for workers and equipment.
