I-74 Bridge work begins April 11 near Normal

NORMAL – The Illinois Department of Transportation announces lane closures beginning at 7:30 a.m. April 11 through April 18 on Interstate 74 over the Norfolk Southern Railroad west of Normal, weather permitting. One lane will be closed in each direction during this time.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, restrain from using mobile devices and be on the alert for workers and equipment.
