Contract No. 66853

Ottawa, IL – The Illinois Department of Transportation announces that bridge work will begin on US 34 over the Little Vermillion River on the east side of Mendota on Thursday, April 12, 2018.

The \$1,138,976.04 contract consists of removal and replacement of the structure and has been awarded to D Construction of Coal City, IL. Traffic signals will be utilized to maintain one lane of traffic throughout the duration of the project, which is expected to last into late August.

Additionally, intersection improvements will be made at the intersection of US 34 and County Highway 38. To facilitate this work, beginning Thursday, April 12, 2018, County Highway 38 will be closed south of US 34. This closure is expected to last up to 3 months.
