## **Bridge Inspections Saturday on I-190 at Mannheim Road**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that routine bridge inspections will take place on Interstate 190 near Mannheim Road (U. S. 12, 45), in Chicago, weather permitting, Saturday, Feb. 17.

In order to complete the work, lane closures will take place on I-190 between 6:30 a.m. and noon Saturday. The lanes will be closed using a moving operation that alternates closures in both directions, keeping one lane open at all times.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
