Emergency Lane Closure on the Inbound Eisenhower at Cicero Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a lane closure is underway on the inbound Eisenhower Expressway (eastbound Interstate 290) at Cicero Avenue, Tuesday, February 20. The closure is necessary due to flooding caused by a collapsed sewer inside the Chicago Transit Authority's (CTA) Blue Line.

The left shoulder and left lane on the inbound Eisenhower at Cicero Avenue is closed for an undetermined amount of time. Crews are currently on scene investigating the issue.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
