## **Highway Lighting Modifications I-64 Westbound at St. Clair Avenue East St. Louis, IL**

Collinsville, IL – The Illinois Department of Transportation announces lane restrictions may be encountered along westbound I-64, including the closure of the entrance ramp from St. Clair Avenue to eastbound I-55/64, in East St. Louis, Illinois. These lane restrictions will be in place from Wednesday, January 24, 2018, through Monday, January 29, 2018. These restrictions are required to remove three High Mast Light Towers. Work is being completed by Electrico, Inc. with traffic control being provided by District 8's Bowman Yard.

Traffic control devices including electronic message boards will be utilized to assist motorists during these restrictions. The Department asks that motorists be patient, reduce speed, obey all warning signs, and use additional caution when traveling near this work zone. Additional information is also available at <http://stl-traffic.org>.
