Resurfacing, Sidewalk Improvements on IL 72 between Reinking Road and Van Buren Street

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 72 between Reinking Road and Van Buren Street, in Pingree Grove, West Dundee, East Dundee, Sleepy Hollow and Elgin, beginning, weather permitting, the week of July 9. The lane closures are necessary for a resurfacing and sidewalk improvement project along Illinois 72.

In order to complete the work, daytime lane closures will take place in both directions on Illinois 72 from Reinking Road to Van Buren Street, reducing IL 72 to one lane in each direction with flaggers. Intermittent closures also will take place on sidewalk ramps within the project limits. Access to residences and businesses will not be impacted.

The scope of the project consists of resurfacing and concrete patching along IL 72. It also includes new pedestrian ramps compliant with the Americans with Disabilities Act (ADA).

The overall project is expected to be completed in Fall 2018.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
