Lane closure on McClugage Bridge begins July 16 *Routine inspection of eastbound span to last two weeks*

PEORIA – The Illinois Department of Transportation announces that one lane of eastbound U.S. 150 will be closed at the McClugage Bridge over the Illinois River from Monday, July 16, to Friday, July 27.

The lane closure is necessary for crews to complete a routine inspection of the eastbound span and will be in effect from 7 a.m. to 3:30 p.m. each day.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
