Overnight Lane Closure on the Inbound Eisenhower

CHICAGO – The Illinois Department of Transportation (IDOT) announced that an overnight lane closure will take place on the inbound Eisenhower Expressway (eastbound Interstate 290) between Harlem Avenue and Austin Boulevard, beginning, weather permitting, at 7 p.m. Monday, June 11. The lane closure is necessary to allow for the Chicago Transit Authority (CTA) to repair damaged storm drains.

Starting at 7 p.m. tonight, the right lane on the inbound Eisenhower Expressway will be closed between Harlem Avenue and Austin Boulevard. The lane is expected to reopen by 5 a.m. Tuesday, June 12.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
