Lane Closures Sunday on Inbound Eisenhower

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on the inbound Eisenhower Expressway (eastbound Interstate 290) between 1st Avenue and Harlem Avenue, weather permitting, Sunday, June 24. The lane closures are necessary for electrical repairs on damaged highway lighting.

Beginning at 5 a.m. Sunday, the left shoulder and left lane will be closed on the inbound Eisenhower Expressway between 1st Avenue and Harlem Avenue.

The lighting repairs are expected to be completed by 9 a.m. Sunday.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
