Lane Closures on Illinois 47 in Hebron

CHICAGO – The Illinois Department of Transportation announced that lane closures will take place along Illinois 47 between Thayer Road and O’Brien/Vanderkarr roads, in Hebron, beginning, weather permitting, Monday, April 2. The lane closures are necessary for a resurfacing and intersection improvement project along Illinois 47.

In order to complete the work, Illinois 47 will be reduced to one lane for both directions, using flaggers to direct traffic to pass in alternating directions. Vanderkarr Road also will be closed at Illinois 47. A posted detour will direct Vanderkarr Road traffic to Wilke Road.

The scope of the project consists of widening and resurfacing along Illinois 47, as well as adding left turn lanes at the intersections of Illinois 47 and Thayer Road and Illinois 47 and O’Brien/Vanderkarr roads.

The overall project is expected to be completed by the end of 2018.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
