Lane Closure – I-55/70 and I-64 in East St Louis

COLLINSVILLE – The Illinois Department of Transportation (IDOT) announced that the eastbound lanes of I-55/70 at the exit to I-64, as well as the ramp from I-64 WB to I-55 WB, in East St Louis, will be intermittently restricted, subject to peak hour restrictions, during daytime hours only from Monday, March 5 through Tuesday, March 6, 2018, weather permitting.

These lane closures are necessary for investigations for new sign trusses. Ve’Niecey Pearman-Green is the Geotechnical Engineer for IDOT on this project. If you have any questions concerning this project, you may contact her at 618/346-3313.

Follow our [Twitter](#) page to find details on other construction projects in IDOT’s District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
