The Illinois Department of Transportation would like to alert motorists traveling IL Route 37 in Williamson County of upcoming lane reductions.

Beginning Monday, March 19, 2018, IL Route 37, approximately 1 mile south of Marion, traffic signals will be installed to reduce traffic to one lane in both directions for a staged box culvert replacement. This lane reduction is expected to last until September, 2018, weather permitting.

There will be a lane width restriction of 10'6" throughout the construction zone.
