Bridge Repair of I-55 Business (Veterans Parkway) in Bloomington begins May 29

BLOOMINGTON — The Illinois Department of Transportation announced today that bridge repairs will begin Tuesday, May 29, on the structure carrying Interstate 55 Business (Veterans Parkway) over U.S. 51 Business (Main Street) and on the structure carrying Interstate 55 Business (Veterans Parkway) over the Norfolk Southern Railroad.

The repairs will require lane closures, but at least one lane will remain open in each direction during the project, which is expected to be completed by June 15, weather permitting.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
