I-74 ramp work begins May 21 near Normal

NORMAL — The Illinois Department of Transportation announced today that the eastbound Interstate 74 ramp to northbound Interstate 55 will close May 21st, weather permitting. Work is expected to last three days.

Traffic will detour to the Mitsubishi Motorway (U.S. 150, exit 125) to the Market Street entrance onto northbound I-55/I-74.

Delays should be expected, so motorists should consider alternate routes. Drivers are urged to pay close attention to changing conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be on the alert for workers and equipment.
