*****UPDATE *****

Bridges on I-55 over MCT Bike Trail near Edwardsville in Madison County

Northeast of Edwardsville - The Illinois Department of Transportation (IDOT) today announced a change in the lane closures on Interstate 55 from mile marker 24 to mile marker 26 north of IL 143 starting Thursday, May 31, 2018, weather permitting. Interstate 55 will continue to be restricted to one lane in each direction; however, traffic will be switched over to the southbound bridge, allowing work to begin on the northbound structure. The new configuration will be used throughout the remainder of the project. The work is expected to be complete by the end of September 2018.

Motorists are urged to use caution, obey all warning signs and allow extra time when traveling through the work zone.

The General Contractor on this project is Keller Corporation of Glen Carbon, Illinois.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
