IL 143 Will Be Closed East of Wanda/Moreland Road in Madison County

REMINDER

Roxana, IL – The Illinois Department of Transportation today announced that IL 143, just east of Wanda/Moreland Road, will be completely CLOSED to traffic between Wanda/Moreland Road and Sycamore Drive beginning Monday, May 7, 2018, weather permitting. This work is required to replace the bridge and reconstruct the roadway, and this section of IL 143 is expected to reopen in mid-November 2018.

The Department's suggested detour for this road closure will be as follows:

Westbound traffic: Go South on North Access Road to SIUE, then West on New Poag Road, then North on IL 255 to IL 143 westbound.

Eastbound traffic: Go South on IL 255, then East on New Poag Road, then North on North Access Road to SIUE to IL 143 eastbound.

The Department advises the travelling public to expect delays and utilize the signed detour provided.

The contractor on this project is Keller Construction of Glen Carbon, Illinois.
