Lane Restrictions on I-64 in St. Clair County

COLLINSVILLE – The Illinois Department of Transportation (IDOT) announced that eastbound and westbound Interstate 64 will be reduced to one lane in each direction at Summerfield South Road near New Baden from Monday, May 14 through Friday, May 18, weather permitting. These lane restrictions will be in place during daytime hours only and are necessary to install sensors in the pavement.

Delays are expected. Motorists are urged to reduce speed, obey all traffic control signage, allow extra time and use caution while driving through and near the work zone.

The contractor on this project is Electrico, Inc., of Millstadt, Illinois.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
