The Illinois Department of Transportation (IDOT) announced that US 50 at Frogtown Road east of Breese and at Flat Branch Road west of Carlyle will be restricted to one lane beginning Tuesday, May 29, weather permitting. These restrictions are necessary to perform bridge painting on the two overpasses and are expected to be completed by August 1, 2018.

Temporary signals will be in place. Please drive with caution through the construction zones.

The Contractor on this project is Venus Painting Company of Valparaiso, Indiana.
