Illinois 130 lane restrictions begin May 14

Repairs needed to bridge over Embarras River in Douglas County

VILLA GROVE — The Illinois Department of Transportation announced today that traffic on Illinois 130 in Douglas County will be restricted to one lane beginning Monday, May 14.

The restriction is necessary so that crews can make repairs to the bridge that carries Illinois 130 over the Embarras River, 2 miles south of Villa Grove. Work is expected to be completed by Friday, June 8, weather permitting.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
