## Dundee Road closure in Northbrook

**CHICAGO** – The Illinois Department of Transportation announced that Dundee Road (Illinois 68) will be closed to non-local traffic from Waukegan Road (Illinois 43) to Skokie Boulevard, in Northbrook, beginning, weather permitting, April 15.

Additionally, Dundee Road will be closed from Bittersweet Drive to Shermer Road. A detour will be posted directing traffic to eastbound Dundee Road, northbound Waukegan Road, eastbound Lake-Cook Road and southbound Skokie Boulevard. Westbound traffic will take the opposite route. One lane will remain open in each direction on Lee Road, with access maintained from Shermer Road.

The closures are necessary for the ongoing culvert replacement and intersection reconstruction at Dundee and Lee roads.

The work is expected to be complete by late October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
