## Illinois 31 improvements in Oswego & Montgomery

**CHICAGO** – The Illinois Department of Transportation announced that bridge repairs and pavement improvements on Illinois 31 between Caterpillar Drive and the Illinois 31 Frontage Road, in Oswego and Montgomery, will begin, weather permitting, May 1.

In order to complete the project, traffic will be reduced to one lane in each direction and shifted to the southbound lanes before switching to the northbound lanes during the second phase of work.

The project is expected to be complete by the end of October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
