## Kingery Highway drainage work in Willowbrook

**CHICAGO** – The Illinois Department of Transportation announced that the replacement of storm sewer and drainage structures on Kingery Highway (Illinois 83), in Willowbrook, will require lane closures between 67<sup>th</sup> Street and Plainfield Road (Illinois 31), beginning, weather permitting, May 1.

In order to complete the project, traffic will be reduced to one lane in each direction with flaggers present once construction begins. Access to arterial streets, driveways and businesses will be maintained.

The work is expected to be complete by mid-June.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
