## Archer Avenue resurfacing project starts next week

**CHICAGO** – The Illinois Department of Transportation announced that patching, resurfacing and pedestrian ramp upgrades on Archer Avenue between Ashland Avenue and State Street, in Chicago, will begin, weather permitting, Wednesday, May 1.

In order to complete the project, traffic will be restricted to one lane in each direction. Pedestrians can expect temporary sidewalk closures.

The work is expected to be complete by the end of July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
