Lane closures on Barrington Road

CHICAGO – The Illinois Department of Transportation announced that improvements to Barrington Road from Higgins Road (Illinois 72), in Hoffman Estates, to Lake Street (U.S. 20), in Hanover Park, will require daily lane closures beginning, weather permitting, Monday, April 29.

The project consists of routing, cleaning and sealing cracks in the existing pavement as well as restriping for increased visibility.

The work is expected to be complete by the end of June.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
