Work on Illinois 1 begins April 22 *Resurfacing between Paris and Clark County line*

PARIS – The Illinois Department of Transportation announces that construction on Illinois 1 from Gibson Drive in Paris to the Clark County line will begin Monday, April 22.

The work involves pavement patching and resurfacing and will require lane closures between 7 a.m. and 3:30 p.m. Two-way traffic will be maintained by flaggers during the project, which is expected to be complete by September.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
